New Business

Administrative Restructuring

With a focus on recruiting and retaining NCURA members, a proposal was developed as a result of information and insights gained at the summer 2005 NCURA leadership convention. It was presented by Dan Nordquist from Washington State University , with support from Chris Hansen from UC Irvine. The proposal includes:

Membership i½ Developing a membership committee focused on encouraging and welcoming new members to Region VI

Volunteer i½ Developing a volunteer committee focused on developing a volunteer base for a variety of opportunities within the region

Regional leadership ¶ ½ Splitting the position of secretary/treasurer into two positions, one secretary and one treasurer. This would require a vote because it changes the by-laws. The concept will be presented to the membership for a vote soon.

Outstanding achievement award

A recommendation was made by a member that we find the documentation on outstanding achievement awards and activate that process. Dan Nordquist mentioned that guidelines were drafted for three awards. Gary Chaffins will form a committee to look at these awards and how we can actively use/promote them. Pam Webb volunteered participate.
